A portion of your patient responsibility is due prior to your procedure.

A pretreatment breakdown will be given to you to assist you in planning for upcoming procedures. Deductibles and coinsurance questions can be verified by calling your member service department located on the back of your insurance card. Billed Patient balances are expected to be paid within 30 days.

Collection accounts are defined as unpaid over 90 days. For questions regarding your out of pocket responsibilities, your insurance company can provide you an Explanation of Benefits outlining payments and patient balances, and can give you very detailed information regarding your benefits. Some questions to ask are:

- What is my deductible amount and how much has been met?
- What is my coinsurance percent?
- What is my yearly out of pocket, does that include my deductible and how much of that has been met?

By signing below, you agree to accept full financial responsibility as a patient who is receiving medical services or as the responsible party for minor patients, and that it is my responsibility to know the terms of my insurance.
